This is a decision on the Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 C.F.R. § 1.137(b), filed May 6, 2008

This Petition is hereby **granted**.

The above-identified application became abandoned for failure to timely reply to the non-final Office action, mailed February 7, 2006. The Office action set a three (3) period for reply. Extensions of time under 37 CFR 1.136(a) were available. No reply having been received, the application became abandoned on May 8, 2006. A Notice of Abandonment was mailed August 16, 2006.

Applicant files the present petition and includes an Amendment in response to the Office action. The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of an Amendment is filed with the present petition; (2) the petition fee; and (3) the required statement of unintentional delay. Accordingly, the reply is accepted as having been unintentionally delayed.

The application file does not indicate a change of address has been filed in this case, although the address given on the petition differs from the address of record. A change of address should be filed in this case in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address noted on the petition. However, until otherwise instructed, all future correspondence regarding this application will be mailed solely to the address of record.

This application is being referred to Technology Center Art Unit 1723 for processing of the Amendment filed with the petition in due course.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3232.
